**Comments:**

1. The Framework contractor's prices are composed by:
  - the Flat rates corresponding to the costs to carry out the assignment (administrative costs, personnel costs, audit, commercial margin etc.). The Flat rates given in the Global financial offer are maximum amounts not to be exceeded at the level of an offer for an individual assignment.
  - the Reimbursable.
  - the Direct costs.
2. The prices given in Euro in the table above cannot be modified.
3. The Flat rates, Reimbursable & Direct costs are described in the Global ToR's. Except the 15% contingency for reimbursable component, no other contingency can be included in an offer for an individual assignment except otherwise expressly provided.
