With reference to the above-mentioned procedure, please find below the answers to the questions posed by the interested companies:

#### **REQUEST FOR CLARIFICATIONS Nr. 1 (dated Tue 11/02/2020 17:54)**

**Question 1:** Will that be ok to do it through a company which is not among the invited tenderers (actually, there is no single company invited)?

**Answer:** Tenders should be submitted by the same service provider or consortium to which the letter of invitation to tender is addressed. No change whatsoever in the identity or composition of the tenderer is permitted unless a written request has been submitted to the contracting authority and the latter has given its prior approval in writing, in accordance with section 3.d) of the instructions to tenders.

Invited service providers or consortia are not allowed to form alliances with any other firms or to subcontract to each other for the purposes of this contract, in accordance with section 3.e) of the instructions to tenders.

**Question 2:** Is there any problem if we team up under the same company?

**Answer:** Experts are free to be included in more than one offer for the same invitation to tender.
