HOMERe

HIGH OPPORTUNITY FOR MEDITERRANEAN EXECUTIVE RECRUITMENT

OBJECTIVES

- To improve the competencies and employability prospects of talented postgraduates through internship mobility experiences in transnational companies in the Mediterranean.
- To enable postgraduates from Southern Countries to access graduate entry positions in their native countries after the internship through direct contact with local employers and on-the-job experience.
- To help employers in the Southern Mediterranean to connect with talented young people through the HOMERe network of academic and economic partners.

HOMERe is promoted under the framework of the [Mediterranean Initiative for Jobs \(Med4Jobs\)](#). Med4Jobs is a cross-sector initiative driven by the need for an integrated regional initiative in the area of job creation. It has been developed by the UfM Secretariat to help increase the employability of youth and women, close the gap between labour demand and supply, and foster a culture of entrepreneurship and private sector development.
