EMIS EASTERN MEDITERRANEAN INTERNATIONAL SCHOOL

OBJECTIVES

EMIS is a new international boarding school preparing students aged 16-18 for the International Baccalaureate Diploma with the objective to:

- Provide youth with high quality, challenging education delivered in an international environment preparing them effectively for university and their future professional careers.
- Promote mobility for educational purposes in particular across the Mediterranean through international sourcing of young people.
- Contribute to the emergence of innovative young generations in the region.
- Make Education a force for peace and sustainability.
- Strengthen relationships between young people and cooperation between educational institutions at regional level.

BENEFICIARIES

- 600 students from Israel, UfM interested countries and the rest of the world.
- 800 teachers/educators interested in innovative pedagogical approaches.
- 2000 young people, teachers, educators and professionals through their participation in EMIS conferences and activities.

LOCATION

- Hakfar Hayarok (Israel)

DURATION

2015 – 2019

TOTAL COST

€11.832.336

ACTIONS

- Develop partnerships for the identification of suitable candidates/students and manage the application and selection process.
- Raise funds in view of awarding a number of EMIS students partial or full need-based scholarships.
- Deliver a 2 year innovative academic programme.
- Develop a specific “entrepreneurship leadership” programme, a “gap year” programme and a training centre for trainers.

EXPECTED RESULTS

- Improved knowledge, skills & competencies for 600 youths.
- Upgraded quality of teaching for 800 teachers and educators.
- Increased opportunities for intercultural exchange among young people.
- Contribution to boosting the employability of young people and reducing youth unemployment in the Mediterranean region.
