Political Forum

Regional Dialogue

- **400+** High level conferences, expert fora and roundtables since 2012.
- **30,000+** Stakeholders including representatives from governmental institutions, experts, regional and international organisations, local authorities, civil society, private sector and financial institutions (multi-stakeholder approach).
- Based on the political guidelines set by the Member States, the UfM structures an in-depth dialogue with all the actors involved in each sector of the regional cooperation.

Platforms

Projects with regional impact

The added value of the UfM lies in the interrelation created between the policy dimension and its operational translation into concrete projects on the ground.
