

## DATA FOR CLIMATE ACTION in the MEDITERRANEAN

25-26 October, 2021  
Online event

Working together to meet data needs  
and address climate challenges

### Day 1 - October 25<sup>th</sup>

#### Climate challenges and data-informed solutions in the Mediterranean

9.00	Virtual and physical rooms open
9.30	<b>Introduction</b> <i>Copernicus Climate Change Service, Union for the Mediterranean</i>
9.45	<b>Climate impacts in the Mediterranean: state of the art</b> <i>Kasia Marini (MedECC, Plan Bleu)</i>
10.00	<b>Drivers of change: modelling progress and challenges</b> <i>George Zittis (Cyprus Institute, MedECC)</i>
10.15	<b>C3S: turning climate data into climate information</b> <i>Chiara Cagnazzo (C3S)</i>
10.35	<b>Discussion</b>
10.50	Break
11.00	<b>Case studies on climate data use in the Mediterranean</b> <i>Including presentations by</i> <ul style="list-style-type: none"> <li>• <i>Ernesto Rodriguez Camino (MedCOF and MEDSCOPE)</i></li> <li>• <i>Alessandro Dell'Aquila (MedGOLD)</i></li> <li>• <i>François Guerquin (Plan Bleu)</i></li> <li>• <i>SOCLIMPACT project</i></li> </ul>
12.15	<b>Discussion</b>
12.30	End of first day

### Day 2 - October 26<sup>th</sup>

#### Understanding data gaps and needs

9.00	Virtual and physical rooms open
9.30	<b>Welcome</b>
9.35	<b>Overview of sectoral challenges and actors tackling climate change in the Mediterranean</b> <i>ECMWF</i>

9.50	<b>Breakout session 1: Sectoral challenges related to climate change and current use of data</b> <i>Interactive session using collaborative tools, facilitated by ECMWF</i>
10.45	<b>Feedback</b>
11.00	Coffee break
11.15	<b>Breakout session 2: Gaps in data provision and user requirements</b> <i>Interactive session using collaborative tools, facilitated by ECMWF</i>
12.00	<b>Feedback</b>
12.15	<b>Conclusion: moving from discussion to action</b> <i>ECMWF, UFM</i>
12.30	End of second day
