UfM/FT/2025/11

1. Subject

The UfM Secretariat is seeking to incorporate a **Director of Administration** for its headquarters in Barcelona. Below is the job description, detailing the responsibilities and required skills and qualifications.

JOB DESCRIPTION			
Job Title:	Director of the Administration Department	Reports to:	Deputy Secretary General - Administration
Division / Department:	Administration Department: Finance, Corporate and Support Services (CSS), Contracts and Procurement, IT	Staff category and conditions:	Contracted Staff as per Staff Regulations and Implementing Rules Post Classification: CS1.2, Step 1 Gross Salary : 87,040 Euros
SUMMARY			
The Director of Administration is responsible for the overall leadership and effective performance of the Administration Department, in accordance with Section IX of the Statutes of the Secretariat. The role ensures that the organization's accounting systems, financial and procurement processes, and reporting mechanisms meet the highest standards of accuracy, compliance, and transparency, applying deep technical and procedural expertise in line with institutional regulations and delegated authorities. The Director provides strategic leadership to the department's core functions—Finance, Central Support Services (CSS), Contracts and Procurement, and Information Technology—ensuring that each team delivers professional, efficient, and mission-aligned support services across the UfM. The Director of Administration reports directly to the Deputy Secretary general of Administration and is a member of the UfM Management Committee.			
PRIMARY RESPONSIBILITIES			
• Lead the development, implementation and monitoring of comprehensive financial strategies, policies and procedures in line with organizational goals, EU financial regulations, international accounting standards (e.g., IPSAS) and donor requirements. • Oversee all financial operations, including budgeting, forecasting, financial reporting, accounting, treasury management, payroll and procurement. • Provide strategic financial analysis and advice to support informed decision-making and resource allocation. • Define the department's work programme in collaboration with the various Units, ensuring alignment with the UfM strategy.			

- Ensure the department has the appropriate resources and people to implement its activities and achieve organizational goals.
- Oversee the organization's financial management, ensuring accuracy, compliance, and integrity in all accounting operations in accordance with applicable regulations and internal governance frameworks.
- Ensure the implementation of agile processes and digital tools within the department, fostering a culture of continuous improvement to effectively support the organization's activities.
- Drive continuous improvement of financial workflows, procedures, and systems to maintain operational excellence; act as the Accounting Officer.
- Ensure that the IT infrastructure and up-to-date technology meet the organization's needs, and that the ICT operations activities (maintenance of information systems, management of the infrastructure, helpdesk coordination, security coordination) are implemented.
- Ensure that the CSS Unit provides agile support to all departments and divisions in logistics, event coordination, mission management, and facility operations, ensuring a functional and safe workplace.
- Report regularly to the Secretary General, including on the implementation status of ongoing projects.
- Actively participate in the Management Committee and provide all required information and input.
- Carry out any other duties assigned by the Deputy Secretary General, including representing them in meetings and conferences, preparing notes, talking points, or speeches, and any other tasks within the scope of your competencies.
- Ensure performance management of teams (Finance, CSS, Contracts and Procurement, IT), setting objectives for direct reports and evaluating their contributions to departmental goals.
- Motivate and support team development by promoting training and professional growth opportunities within the organization.
- Act as a driver of change within the organization.

QUALIFICATIONS, SKILLS AND RELEVANT EXPERIENCE:
