#### 3. Programme title

ENPI - European Neighbourhood and Partnership Instrument

#### **4. Financing**

Financed through La Agencia Española de Cooperación Internacional para el Desarrollo (AECID) funds.

#### **5. Legal basis, eligibility and rules of origin**

The legal basis of this procedure is Regulation (EU) N° 2021/947 establishing the Neighbourhood, Development and International Cooperation Instrument – Global Europe (NDICI)<sup>1</sup>. See [Annex a2a](#) of the practical guide.

For this contract award procedure, financed by AECID funds.

Participation is open to all natural persons who are nationals of and legal persons which are effectively established in a Member State of the European Union or in an eligible country or territory as defined under Article 24(1) of Regulation (EU) N° 2021/947. Tenderers must state their nationality in their tenders and provide the usual proof of nationality under their national legislation. Participation is also open to international organisations.

The entities of these countries can only participate in procedures where the country itself is a beneficiary of the action, i.e., countries of the European Union and 16 countries of the Southern and Eastern Mediterranean<sup>2</sup>.

#### **6. Candidature**

All eligible natural and legal persons (as per item 5 above) or groupings of such persons (consortia) may participate or tender.

A consortium may be a permanent, legally established grouping or a grouping which has been constituted informally for a specific procurement procedure. All members of a consortium (i.e., the leader and all other members) are jointly and severally liable to the contracting authority.

The participation or tender of an ineligible natural or legal person will result in the automatic exclusion of that person. In particular, if that ineligible person belongs to a consortium, the whole consortium will be excluded.

#### **7. Number of tenders**

No more than one tender can be submitted by a natural or legal person whatever the form of participation (as an individual legal entity or as leader or member of a consortium submitting a tender). In the event that a natural or legal person submits more than one tender, all tenders in which that person has participated will be excluded.

## **14. Additional information**

Financial data to be provided by the tenderer in the tender submission and in the financial offer form must be expressed in EUR.

A Global price contract is a contract under which the services provided are paid on the basis of the delivery of the specified outputs.

## **SELECTION AND AWARD CRITERIA**

## **15. Selection criteria**

Capacity-providing entities

An economic operator (i.e., tenderer) may, where appropriate and for a particular contract, rely on the capacities of other entities, regardless of the legal nature of the links which it has with them. If the economic operator relies on other entities, it must in that case prove to the contracting authority that it will have at its disposal the resources necessary for the performance of the contract by producing a commitment by those entities to place those resources at its disposal. Such entities,

<sup>3</sup> Please note that the EU Official Journal contains the official list of entities subject to restrictive measures and, in case of conflict, it prevails over the list of the [EU Sanctions Map](#).

for instance the parent company of the economic operator, must respect the same rules of eligibility and notably that of nationality as the economic operator relying on them and must fulfil the selection criteria for which the economic operator relies on them. Furthermore, the data for this third entity for the relevant selection criterion should not be included in the tender submission form but in a separate document. Proof of the capacity will also have to be provided when requested by the contracting authority.

With regard to technical and professional criteria, an economic operator may only rely on the capacities of other entities where the latter will perform the tasks for which these capacities are required.

With regard to economic and financial criteria, the entities upon whose capacity the economic operator relies, become jointly and severally liable for the performance of the contract.

The following selection criteria will be applied to tenderers. In the case of tender submitted by a consortium, these selection criteria will be applied to the consortium as a whole, unless specified otherwise. The selection criteria will not be applied to natural persons and single-member companies when they are sub-contractors.

The tenderer shall not use previous experience which caused breach of contract and termination by a contracting authority as a reference for selection criteria.

- 1) **Economic and financial capacity** (based on item 3.A of the tender form). In case of tenderer being a public body, equivalent information should be provided. The reference period which will be taken into account will be the last 3 years for which accounts have been closed<sup>4</sup>.
  - the average annual turnover of the tenderer must exceed EUR 150,000.00, and current ratio (current assets/current liabilities) in 2024 must be at least 1
- 2) **Professional capacity** (based on item 3.B of the tender form). The reference period which will be taken into account will be the last 3 years preceding the submission deadline.
  - At least 3 staff (not counting administrative / support staff) currently work for the tenderer in fields related to the proposed contract (For legal entities) • has worked as expert in fields related to the proposed contract (for natural person)
- 3) **Technical capacity** (based on items 3.C of the tender form). The reference period which will be taken into account will be the last 4 years from submission deadline.
  - the tenderer has provided services under at least one contract with a budget of at least EUR 150,000.00 in the field related to this contract, namely climate change adaptation in the transport sector, the project must be a multi-country or regional transport project, and the amount of the share of the project managed by the tenderer must be at least EUR 100,000 implemented at any moment during the reference period: 4 years prior to the submission

<sup>4</sup> In the case of tenders submitted by a consortium, these selection criteria will be applied to the consortium as a whole.

deadline. This means that the contract the candidate or tenderer refers to could have been implemented at any time during the indicated period but it does not necessarily have to be completed during that period, nor implemented during the entire period. Candidates or tenderers are allowed to refer either to projects completed within the reference period (although started earlier) or to projects partially implemented during, but not yet completed within the reference period. Only the part completed during the reference period will be taken into consideration. This part will have to be supported by documentary evidence (approval of report or deliverable, proof of payment, statement or certificate from the entity which awarded the contract) also detailing its value. If a candidate has implemented the project in a consortium, the part that the candidate has successfully completed must be clear from the documentary evidence (such as consortium agreement and bank transfers between consortium members), together with a description of the nature of the services provided/supplies delivered.

#### **16. Award criteria**
