REQUEST FOR CLARIFICATIONS Nr. 1 (dated Wednesday 03/12/2025 at 16:31)

Question 1: *Will the venues and caterings during the conference be organized and paid by the national partner or should the consultant plan it in the budget? In some countries, travel expenses of the participants are expected to be paid as well. Would this be covered by the national partner?*

Answer:

The consultant must plan for and include in the budget the cost of the venues and catering during the conferences.

Participant travel expenses must be covered by the consultant and, therefore, must also be planned for and included in the budget.
